

HORNSBY SPIDERS REPRESENTATIVE NEWSLETER NO. 10 – 23 MARCH 2007

As everyone noticed for me, I put the wrong date down for this week's games, but it should have read 25th March. I have repeated the draw below and hope that everyone is punctual for your photos (photo times shown on draw).

Set out below this is the draw for 1st April. You will note that 14M2 and 18M3 have ** beside it and are printed in blue. With both of these games I am awaiting clarification – Norths game for 14M2 is on BNSW draw at Brickpit and I believe it is to be played at Norths but this can't be answered until Monday as Norths convenor is away this week. I hope to clarify on Monday. 18M3 game we have asked Glebe to swap this game so we can host the reverse game on 3rd June, one of the two days we are allowed the whole stadium and therefore hopefully get all teams at home. Still waiting for an answer from Glebe, but also hopefully this will be clarified by Monday.

Although BNSW have put up a draw on their website, I stress that there are still queries on this draw and some games are missing, so please don't accept this as final just yet. Until I get clarification from some other associations who have not yet given me answers and also a couple of replies from BNSW, I can't release a draw that will be FINAL! Sorry, but I am as frustrated as you.

Finally, any game on the draw that is coloured in yellow is a double points game. This occurs in 12M3, 16M4 and 18M1 Divisions and has been done so there are no central venues at all in 2007.
