THIS WEEK'S TEAM IN FOCUS – THE 14 WOMEN BLACK

Hornsby Spiders 14W3 defeat Macarthur in a thriller – 43-42

The 14 Women Black's Coach, Cassie commented after the nail biting finish - This is what you call an ugly win but also a benchmark of where we are at.

The game started slow and sluggishly but the Spiders still managed to grab the lead. It then became very physical and rough, giving Macarthur the opportunity to bring them back into the game.

With 4 girls in foul trouble and getting bumps left, right and centre the last quarter was a nail biter. Macarthur had an opportunity to draw the game in the last 30 seconds with 2 free throws but only made one- therefore allowing us to grab the win 43-42.
