

ATTENTION ALL COACHES

Hornsby Basketball would like to establish a register of all our Coaches. We would then use this register to keep coaches updated with any information we receive throughout the year that would assist you in coaching your team.

We would prefer to do this via email wherever possible but mail-outs would also be involved.

If we could establish a core group of interested coaches we would endeavour to host bi-monthly Coaching Update Sessions with qualified “guest” coaches.

We would invite interested coaches to submit questions they would like answered or topics they would like to see covered in the Update Sessions so we knew you were gaining the information you require to help you.

Hornsby Basketball would also introduce their own Coaches Newsletter which would be distributed to all our registered coaches. In this we would publish answers to some of your questions, seeking these answers from qualified coaches from different sources.

I would like to see us form a “Coaches Club” that would address the needs of our local comp coaches and hopefully encourage more people to become involved.

Please, if your team has a coach or you would like to become involved and receive coaching information, complete the form below and hand it into the reception desk or fax to 9980 6277. Or if you have obtained this from the website, just email me your details – julie.fitzgerald@hornsbyspiders.com.au

If you have any queries or suggestions, please do not hesitate to contact Julie on 9980 6255.
