Frequently Asked Questions

My Child is interested in Trying Basketball for the First time? Where do I start?

A great place for beginners to learn the basics of basketball is at our Aussie Hoops skills sessions. It is a way for new players to get a real feel for the sport and learn some basic skills involved like dribbling, passing and shooting. We regularly hold these sessions on a Saturday afternoon and sometimes mid-week so check the home page for details about our next program.

How do I join a team? (School Age players)

We run basketball sessions in line with the school terms. So Terms 1 & 2 form the first season, and Terms 3 & 4 form the second season of the year. Usually at the beginning of the seasons, and occasionally during the seasons, teams contact us to request an extra player for their team in which case we are very happy to put you in touch with their team manager. Check our local competition's page to find out which day the school year you are inquiring about plays on so you are available. Email the following details to info@hornsbyspiders.com.au with the subject heading "**New Player Inquiry**". Include the name, age, address, contact phone numbers, grade at school if applicable, school name, and previous playing experience. We will then add the player to our waiting lists and be in touch when an opening comes up. Please note that if inquiring midseason that it may take a few months to find a team – even waiting till the next competition starts.

How do I join a team? Adult teams

Please check our local competitions tab for details about days divisions play and the starting and finishing dates of each season. If you would like to go on a waiting list to join one of these teams if they request an extra player please email your name, address, DOB, details of previous playing experience, height and playing position to info@hornsbyspiders.com.au. We will call or email when an opening arises.

Can I enter a team of my own?

Yes. Anyone is welcome to enter a team in our competitions. A good number of players to have is 6 to 8 but if you are short a player don't forget we may have someone on our waiting list who can fit the final spots on your team. A team nomination form can be found on the local competitions tab of our website. For Men's team and Mixed competitions we need this form back with the entry fee by the day of the Grand final of the previous competition so check the draws to find out the date relevant for you. For Primary School and High School teams check the deadline dates under the "Costs and Entry Deadlines" section of our local competitions tab.

How much does it Cost?

All our fees are listed on the "Costs and Entry Deadlines" section of our local competitions tab on the website or on the back of the nomination form.

I have been playing for some time and would like to try out for the Hornsby Spiders Representative Teams. How do I do this? Trials are around August each year so check the website or notices around the stadium at this time for details about the try out sessions.
